## "CIRCUS DAY."

Has Arrived and With it Will Come the Usual Crows.

### THERE IS AN ADDED INTEREST

In Connection With the Coming of the Big Show, as the Contending Forces in the Street car Strike are Awaiting With Interest the Effect it Will Have Upon Travel—The Wallace Shows Stand Very High.

THIS IS "Circus Day," and as might be expected Wheeling's contingent of "Young America" is on the tip-toe of excitement, while not a few of the grown-up boys and girls are exhibiting the interest that always is seen when that great American institution, the circus, is in evidence.

The Great Wallace Shows are due to arrive in Wheeling from Parkersburg early this morning, and their tents will be put up on the Bridge Park Island. The parade is scheduled to occur at 10 o'clock, and the route will be over the principal streets in the central part of the city.

There is added interest in the coming of the circus to-day, especially upon the part of the street car strikers and the railway company, because many people are of the opinion that the coming of such a large crowd of strangers to the city will result in a large traffic on the street car lines. "By some it is believed that it will be the start of many Wheeling people resuming their patronage of the cars. Naturally the strikers are anxious to avert this outcome, and of course the company hopes the belief will materialize. What the outcome will be remains to be seen.

One of the greatest difficulties that the managers of the great modern circuses have to contend with is the dearth of acrobatic equestriennes. Not one girl out of a thousand who essays the art ever achieves success, and not one out of a hundred of those who succeed ever attain eminence. In all the world there is probably not more than a dozen who are considered truly great. At the head of this little coterie of celebrities stands beautiful Blanche Reed, this season under engagement to the Great Wallace Shows.

In point of poise, grace, dash and driving agility her riding simply defies description. Nothing she does looks difficult, nor appears to require great effort. She is secure and as much at home in her unstable position on the heaving, bounding back of a galloping horse as is a society belle on a ball room floor.

Her routine or repertoire of feats and evolutions is so varied that she can completely change her act every performance for days at a time. In all she does there is naught that is commonplace. She scorns the ordinary and abhors the conventional. In the vernacular she begins where the others leave off, and ends in an unapproachable achievement of acrobatic agility that is at once paradoxically unattainable, and past belief unless seen with one's own eyes.

### THANKS THE A. O. U. W.

Gov. Atkinson Writes a Graceful Letter to Frank Gruse.

The following graceful acknowledgment of the equally graceful act of the West Virginia grand lodge of the A. O. U. W. in appropriating money to purchase a piano for the State Reform school at Pruntytown, has been received by Grand Recorder Frank Gruse, of this city:

STATE OF WEST VIRGINIA, EXECUTIVE CHAMBER, CHARLESTON, April 29, 1899.

Frank Gruse, Esq., Grand Recorder A. O. U. W., Wheeling, W. Va.: MY DEAR SIR AND BROTHER:—I own the receipt of your courteous letter of the 25th instant, in which you state that the Grand Lodge of A. O. U. W. visited the Reform School at Pruntytown, in a body. I am greatly gratified that you were thoughtful enough to do this, and I am more gratified that you make such a good report of the splendid management of that institution. My information from all sources is similar to the report you make of its general conduct.

I desire also to thank the Order for donating a piano to the institution for the use of the boys confined there. Our state legislature is called upon for so many appropriations for our different state institutions that it is impossible for them to appropriate money for the aesthetic part of life in such institutions; hence, we have no piano there. I assure you that I have no objection to the institution receiving the piano. On the contrary, I sincerely thank you for donating it.

I am glad the Order is progressing so nicely. Fraternally and truly yours, G. W. ATKINSON, Governor.

### A DRUGGIST SWINDLED

To the Extent of \$20 Last Night—How the Game was Worked.

A well known Market street druggist was neatly swindled to the extent of \$20 last night. A pair of crooks worked the game in less time than it requires to tell it. One entered the store, bought a five-cent tooth brush, presented a \$20 bill in payment, received his change and retired. His "pal" received the \$19.95, entered the same store, and asked for a \$20 bill in exchange for small change, in order that he may send \$20 home by mail. The clerk produces the \$20 bill he has just received, which the stranger places in the envelope. The clerk counts the money he has received, and says it lacks some of the \$20 required. Thereupon, the stranger produces what the clerk supposes is the envelope with the \$20 enclosed, hands it over to the young man, and taking his \$19.95, retires, stating that he will return in a few minutes with the required \$20 in change and get the envelope containing (?) the \$20 bill. Of course the stranger did not return.

Then the drug clerk became suspicious, opens the envelope and finds it contains nothing.

Chief Clemens and Officer McCausland worked on the case, but did not capture the crooks. The drug clerk was taken to a South Side restaurant and looked at a pair of strangers. He said one looked like one of the men wanted, but he wasn't positive, so there was no arrest.

### AN IMPORTANT ORDER.

Handed Down at Steubenville, Affecting La Belle Iron Works.

Yesterday, at Steubenville, Judge Mansfield handed down an important opinion in a dispute growing out of the sale of the Jefferson iron works to the La Belle. He held that the receiver must pay the taxes due June 29 out of the proceeds of the sale, as the sale was a judicial sale and under the Ohio statutes the court must order such taxes paid. Court also held that the royalty from the lease of the furnace to the La Belle Standard from February 27, the date of the sale, up to May 1, when the lease terminated, should be paid the La Belle. He held that although the sale was made by the receiver, subject to the lease that the sale was confirmed and deed delivered to the purchaser and the purchaser was thereby entitled to all rights and privileges in the property.

### An Increase in Wages.

The Ohio Valley Iron Company, lessee of the La Belle-Jefferson furnace at Steubenville, has posted a notice, notifying employees that the increase of wages made to furnace employees in this district would be granted them, beginning at the same time, without demand on their part.

### A Prompt Way to Cure Yourself When Symptoms Show That Your Kidneys Are Out of Order.

### To Test the Wonderful Merits of the Great Modern Discovery, Swamp-Root, Every Intelligencer Reader May Have a Sample Bottle Sent Free By Mail.

The way to be well is to pay attention to your kidneys.

They are the most important organs of the body—the blood filters.

All the blood in your body passes through your kidneys once every three minutes.

The kidneys strain or filter out the impurities in the blood—that is their work.

Purifying your blood is not a question of taking a laxative or physic.

Does your blood run through your bowels?

What the bowel-cleaner does is to throw out the poisons confined in your bowels ready for absorption into your blood, but the poisons which are already in your blood, causing your present sickness, it leaves there.

There is no other way of purifying your blood except by means of your kidneys.

That is why bowel-cleaners fail to do their work—they forget the kidneys.

When you are sick, then, no matter what you think the name of your disease is, the first thing you should do is to afford aid to your kidneys by using Dr. Kilmer's Swamp-Root, the great Kidney Remedy.

In taking Swamp-Root you afford natural help to nature, for Swamp-Root is the most perfect healer and gentle aid to the kidneys that is known to medical science.

Dr. Kilmer, the eminent physician and specialist, has attained a far-famed

reputation through the discovery and marvelous success of Swamp-Root in purifying the blood, and thereby curing chronic and dangerous diseases, caused by sick kidneys, of which some of the symptoms are given below.

Pain or dull ache in the back or head, rheumatism, neuralgia, nervousness, dizziness, irregular heart, sleeplessness, sallow complexion, dropsy, irritability, loss of ambition, obliged to pass water often during the day, and to get up many times at night, and all forms of kidney, bladder and uric acid troubles.

Swamp-Root is sold by all dealers, in fifty-cent or one-dollar bottles. Make a note of the name, SWAMP-ROOT, Dr. Kilmer's Swamp-Root, and remember it is prepared by Dr. Kilmer & Co., Birmingham, N. Y.

To prove the wonderful merits of his great discovery he now offers to every reader of this paper a prepaid free sample bottle of Swamp-Root, which he will send to any address, free by mail.

A book about Health, Diet and Disease as Related to Your Kidneys and giving some of the thousands upon thousands of testimonial letters received from the sufferers cured, also sent free with the sample bottle.

The great discovery, Swamp-Root, is so remarkably successful that our readers are advised to write for a sample bottle, and to kindly mention the Wheeling Daily Intelligencer when sending their addresses to Dr. Kilmer & Co., Birmingham, N. Y.
